

OPSOR ESSAT REVIEW SHEET
(Temporary sheet for IPF projects)

Project Name: 173415, DRC, PSSD 4th AF (updated ESMF)

Stage of the Project: appraisal

Date: 5/20/2020

<p>RSA's Recommendation for Transfer (N.B. only for PCN stage)</p>	<p>retained</p>
<p>Changes in Project Design</p>	<p>It is the responsibility of the task team to immediately alert the RSA of any changes in project design or of any new information that could warrant a different approach for safeguards management.</p>
<p>ENVIRONMENTAL REVIEWER</p>	<p>Dear team,</p> <p>Thank you for sharing the updated ESMF (updated from parent P147555 and subsequent AFs).</p> <p>I note that under 4.4 this document refers to a health care waste management plan for PARSS (?) that apparently will (would) be updated. Please clarify. What is meant, and has said update been done? (in which case please share with ESSA).</p> <p>The document can be considered cleared by RSA on condition that relevant guidance on COVID is also taken into account - in particular see the tip sheet on stakeholder engagement sheet (which you may want to advise borrower to translate/adjust and attach. Suggest also that the team takes due note also of the COVID template for an ESMF (in French), as well as guidance on civil works during COVID, and where relevant advises the borrower to include that info in this ESMF as well. To find all the guidance see OPCS website (See https://worldbankgroup.sharepoint.com/sites/wbunits/opcs/Pages/pc/Operations-COVID19-Coronavirus-Information-03092020-081859/Environmental-a-04202020-163137.aspx)</p> <p>Some additional (editorial) comments are marked in the attached to help improve the document.</p> <p>For further clarifications, please contact Euloge Ogouwale, principal reviewer, or the RSA.</p> <p>Kind regards Hanneke (acting as RSA/ESSA for West and Central Africa)</p>
